The Directors (with Ms Law abstaining), unanimously recommend you vote in favour of this resolution.

Resolution 4: Approval of issue of 8,261,450 ordinary shares under a placement on 21 September 2020

The Company recently undertook a placement offer of ordinary Shares to sophisticated investors, professional investors and others such that disclosure was not required under part 6D.2 of the Corporations Act. Joint lead managers for the placement were Bell Potter Securities Limited, Canaccord Genuity and MST Financial Services Pty Ltd.

Pursuant to the placement offer, the Company issued 8,261,450 ordinary Shares in the Company to sophisticated and professional investors. As a consequence, the total number of issued Shares in the Company increased by approximately 13.4% from 61,535,298 ordinary Shares to 69,796,748 ordinary Shares. The Shares were issued as fully paid ordinary Shares, ranking equally with all other fully paid ordinary Shares in the Company then on issue.

All of the Shares issued under the placement offer were issued for \$3.45 each, raising approximately \$28,405,002.50. The funds raised from the placement were used to invest in a share placement undertaken by De Grey Mining Limited, for ongoing greenfield exploration of DGO's own assets, and for investment in Yilgarn Exploration Venture Pty Ltd, as well as for additional working capital to the Company to assist its future growth and market activity.

Listing Rule 7.4 of the ASX Listing Rules states that an issue of shares made without shareholder approval under Listing Rule 7.1, such as the issue of Shares under the placement offer, is treated as having been made with approval for the purpose of Listing Rule 7.1 if the issue of Shares did not breach Listing Rule 7.1 and Shareholders subsequently approve it.

The Shares issued under the placement were issued using the Company's existing 15% placement capacity under Listing Rule 7.1 which was refreshed at the extraordinary general meeting of the Company held 19 June 2020.

If Resolution 4 is passed, the approval of Shareholders to the issue of Shares pursuant to the placement offer will be obtained for the purpose of Listing Rule 7.4. The Company will then have the flexibility to issue:

- additional equity securities in the next 12 months of up to 15% of the ordinary Shares in the Company currently on issue, including those issued under the placement offer, plus any other Shares issued with Shareholder approval under Listing Rule 7.1 (once they are issued); and
- additional equity securities of up to 10% of the ordinary Shares in the Company if Resolution 10 is also passed.

In accordance with Listing Rule 7.5, Shareholders are advised that:

- a portion (approximately 15%) of the Shares issued were issued to eligible sophisticated investors who were clients of the joint lead managers, being Bell Potter Securities Limited, Canaccord Genuity and MST Financial Services Pty Ltd, along with referral's from the Chairman of the Company of current Shareholders who are sophisticated investors who had expressed an interest in participating in capital raisings; and
- the remainder of Shares were offered to persons on the basis of the Company's capital raising allocation policy (**Allocation Policy**).

The Allocation Policy provides that the opportunity to participate in capital raisings will be offered, in order of priority, to:

1. cornerstone investors – predominantly existing institutional Shareholders and targeted long only and specialist resource funds;
2. existing Shareholders that are sophisticated or professional investors, to whom a placement does not require a disclosure document are to be offered the opportunity to participate such that they do not suffer any substantial dilution;

3. long only institutional investors that can demonstrate that they have been buying on market following previous capital raisings; and

new long only institutional investors that satisfy the objective of being able to fund the future growth of the Company.

If Resolution 4 is not approved, the Company's ability to raise additional equity funds over the next 12 months without reference to shareholders will be restricted.

Resolution 5: Approval of issue of 485,000 options on 22 July 2020

On 21 July 2020 the Company announced that it had received commitments (**Commitments**) from a number of key shareholders to participate in a possible future capital raising (**Committing Shareholders**), in an aggregate of \$12million.

In exchange for their Commitment, Committing Shareholders were paid a commitment fee of 50,000 unquoted DGO sold options per \$1million of Commitment, on the terms set out in Appendix A (**Options**). The total amount of Options issued to Committing Shareholders was 485,000.

Listing Rule 7.4 of the ASX Listing Rules states that an issue of securities made without shareholder approval under Listing Rule 7.1, such as the issue of Options to Committing Shareholders, is treated as having been made with approval for the purpose of Listing Rule 7.1 if the issue of securities did not breach Listing Rule 7.1 and Shareholders subsequently approve it.

The Options issued to Committing Shareholders were issued using the Company's existing 15% placement capacity under Listing Rule 7.1 which was refreshed at the extraordinary general meeting of the Company held 19 June 2020.

If Resolution 5 is passed, the approval of Shareholders to the issue of Options to Committing Shareholders will be obtained for the purpose of Listing Rule 7.4. The Company will then have the flexibility to issue:

- additional equity securities in the next 12 months of up to 15% of the ordinary Shares in the Company currently on issue, including those issued to Committing Shareholders, plus any other Shares issued with Shareholder approval under Listing Rule 7.1 (once they are issued); and
- additional equity securities of up to 10% of the ordinary Shares in the Company if Resolution 10 is also passed.

In accordance with Listing Rule 7.5, Shareholders are advised that the Committing Shareholders were selected on the basis of being sophisticated investors, who had participated in the Company's previous capital raisings, and who had expressed an interest in participating in future capital raisings of the Company.

If Resolution 5 is not approved, the Company's ability to raise additional equity funds over the next 12 months without reference to shareholders will be restricted.

Resolutions 6 and 7: Approval to issue Options to:

- 1. Mr Ross Hutton, a Director of the Company; and**
- 2. Mr Michael Ilett, a former Director of the Company**

On 21 July 2020 the Company announced that it had received commitments (**Commitments**) from a number of key shareholders to participate in a possible future capital raising (**Committing Shareholders**), in an aggregate of \$12million.

In exchange for their Commitment, Committing Shareholders were paid a commitment fee of 50,000 unquoted DGO Gold options per \$1million of Commitment, on the terms set out in Appendix A (**Options**). In exchange for their individual Commitments, the Company is seeking approval for the issue of:

- (a) 10,000 Options to Mr Ross Hutton; and
- (b) 10,000 Options to Mr Michael Ilett.

Reason for seeking Shareholder approval

Listing Rule 10.11 requires that an entity must obtain the approval of Shareholders to issue securities to a Related Party and in doing so must provide the information specified in Listing Rule 10.13, unless an exception applies.

Listing Rule 7.1 prohibits a listed company, except in certain cases, from issuing in any 12-month period new equity securities equivalent in number to more than 15% of the total number of ordinary securities on issue at the beginning of the 12-month period without the prior approval of a majority of disinterested Shareholders, or the issue otherwise comes within one of the exceptions to Listing Rule 7.1.

However, under Listing Rule 7.2 (Exception 14), if approval is given under Listing Rule 10.11, approval will not be required under Listing Rule 7.1. Therefore, the issue of the Options to:

- (a) Mr Hutton under Resolution 6; and
- (b) Mr Ilett under Resolution 7,

if passed, will not count towards the Company's 15% placement capacity under Listing Rule 7.1.

If Resolution 6 is passed, the Company will be able to issue Options to Mr Hutton in exchange for his Commitment, which was announced to the market on 21 July 2020.

If Resolution 6 is not passed, the Company will not be able to issue Options to Mr Hutton, and accordingly may be unable to rely on Mr Hutton's Commitment.

If Resolution 7 is passed, the Company will be able to issue Options to Mr Ilett in exchange for his Commitment, which was announced to the market on 21 July 2020.

If Resolution 7 is not passed, the Company will not be able to issue Options to Mr Ilett, and accordingly may be unable to rely on Mr Ilett's Commitment.

Resolutions 8 and 9: Approval to issue Series D Performance Rights to:

- 1. Mr Eduard Eshuys, a Director of the Company; and**
- 2. Mr Bruce Parncutt AO, a Director of the Company**

The Company is seeking approval for the issue of Series D Performance Rights to the Directors in accordance with Listing Rule 10.11. As approval is being sought under Listing Rule 10.11, approval will not be required under Listing Rule 7.1. Specifically, shareholder approval is sought for the issue of up to a maximum of:

- (a) 500,000 Series D Performance Rights to Mr Eduard Eshuys, a Director and the Executive Chairman of the Company; and
- (b) 500,000 Series D Performance Rights to Mr Bruce Parncutt AO, a Director of the Company.

The proposed terms of the Series D Performance Rights are set out in Appendix B. In summary each Series D Performance Right granted will be capable of being exercised into 1 fully paid ordinary Share only if:

- (a) one of the following events occurs:
 - (1) the 1 month volume weighted average price of a Share on the ASX exceeds \$7.00 (subject to certain adjustments) per Share within the period from 1 December 2021 until 1 December 2023 (Market Condition), in which case the Performance Rights will vest 12 months following that event;
 - (2) on or before 1 December 2023 a takeover bid is made for the Company's Shares at a price or value which exceeds a price calculated as \$3.50 per Share increased by 25% per annum from the date of issue of the Right to the date the bid is announced (subject to certain adjustments) and the bidder confirms that the takeover bid is unconditional; or
 - (3) on or before 1 December 2023 a court orders a meeting to be held in relation to a proposed scheme of arrangement in relation to the Company at a price or value which exceeds a price calculated as \$3.50 per Share increased by 25% per annum from the date of issue of the Right to the date the scheme is announced (subject to certain conditions) and Shareholders approve the scheme resolution by the requisite majority; and

(b) Mr Parncutt or Mr Eshuys, as applicable, continues to be a Director of the Company, unless on their ceasing to be a Director, the Board in its absolute discretion decides they are a good leaver.

The Series D Performance Rights lapse on:

(c) 3 December 2024 if a relevant condition is not satisfied on or before 3 December 2024; or

(d) the date the Director ceases to be a Director if a relevant condition is not satisfied before that date; or

(e) if the Director has not elected to exercise the Series D Performance Rights within the time set by the Board from when the Director is notified of an event in paragraph (a) above (which must not be less than 10 business days); or

(f) an earlier date in the event a takeover bid or scheme of arrangement for the Company is successful at a price or value less than or equal to a price calculated as \$3.50 per Share increased by 25% per annum from the date of issue of the Right (subject to certain adjustments).

The number of Shares that may be issued on exercise and the price for Shares required to meet the condition in (1) may be adjusted if there is a reorganisation of the Company's share capital.

Reason for seeking Shareholder approval

Listing Rule 10.11

Listing Rule 10.11 requires that an entity must obtain the approval of shareholders to issue securities to a Related Party and in doing so must provide the information specified in Listing Rule 10.13, unless an exception applies.

Resolution 8, if passed, will involve the issue of performance rights to Mr Eduard Eshuys, a Related Party of the Company. Resolution 9, if passed, will involve the issue of performance rights to Mr Bruce Parncutt AO, a Related Party of the Company.

If Resolution 8 is not passed, then the Company will not be able to issue the Series D Performance Rights to Mr Eshuys, meaning it will not be able to remunerate him with performance rights, and may need to look at other suitable remuneration (including cash).

If Resolution 9 is not passed, then the Company will not be able to issue the Series D Performance Rights to Mr Parncutt, meaning it will not be able to remunerate him with performance rights, and may need to look at other suitable remuneration (including cash).

Listing Rule 7.1 prohibits a listed company, except in certain cases, from issuing in any 12-month period new Equity Securities equivalent in number to more than 15% of the total number of ordinary securities on issue at the beginning of the 12-month period without the prior approval of a majority of disinterested shareholders, or the issue otherwise comes within one of the exceptions to Listing Rule 7.1.

However, under Listing Rule 7.2 (Exception 14), if approval is given under Listing Rule 10.11, approval will not be required under Listing Rule 7.1. Therefore, the issue of the performance rights to Mr Eduard Eshuys under Resolution 8 and to Mr Bruce Parncutt AO under Resolution 9, if passed, will not count towards the Company's 15% placement capacity under Listing Rule 7.1.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated under the formula in Listing Rule 7.1A(2) as at the date of this notice.

The table shows two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.

The table below also shows two examples where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the market price on 7 October 2020 being the last trading day before the table was prepared.

Note: Current variable A refers to the calculation required by Listing Rule 7.1A.2 which, in the Company's case, equates to the current issued share capital of the Company.

The above table has been prepared on the assumptions set out below.

- (a) The Company issues the maximum number of Shares available under the 10% Listing Rule 7.1A approval.
- (b) No options are exercised to convert into Shares before the date of the issue of the Shares available under Listing Rule 7.1A.
- (c) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of share issue under Listing Rule 7.1A, based on that shareholder's holding at the date of the meeting.
- (e) The table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (f) The issue of Shares under Listing Rule 7.1A consists only of ordinary shares in the Company.

(g) The issue price is \$3.45, being the closing price of the Shares on ASX on 7 October 2020.

Listing Rule 7.1A requires Resolution 10 to be passed as a special resolution. A special resolution needs approval by at least 75% of the votes cast by Shareholders entitled to vote on this resolution.

Directors' Recommendation

The Directors unanimously recommend that Shareholders vote in favour this resolution.

General Terms of Issue

- (a) Each Series D Performance Right shall:
- (i) potentially convert in the manner and at the times provided by clause 3 into Shares; and
 - (ii) lapse on the Expiry Date if it has not been subject to Conversion by then.
- (b) The Series D Performance Rights:
- (i) do not (unless and until a Conversion Trigger has occurred, the Holder has exercised the Series D Performance Right and Shares are issued) confer on Series D Performance Right Holders any right as a member or shareholder of the Company, including voting rights; and
 - (ii) confer on Holders a right to be given copies of documents sent by the Company to shareholders (whether in connection with a general meeting of Shareholders or otherwise).
- (c) Each Holder by accepting an issue of Series D Performance Rights:
- (i) agrees to be bound by these terms of issue;
 - (ii) acknowledges that it has contractual rights as set out in these terms but that the Series D Performance Rights do not (unless and until a Conversion Trigger has occurred, the Holder has exercised the Series D Performance Right and Shares are issued) confer any right as a member or shareholder of the Company;
 - (iii) acknowledges the possibility that the Series D Performance Rights may expire and will not be capable of exercise; and

- (iv) agrees to be bound by the Company's securities trading policy, a copy of which will be made available to the Holder on request, and acknowledges that any attempt to:
- (A) transfer the Series D Performance Right; or
 - (B) exercise the Series D Performance Right,
- otherwise that in compliance with these terms or the terms of the Company's securities trading policy, will result in the forfeiture of the Series D Performance Right.

Notice and time for conversion

- (a) The Company must, if a Conversion Trigger occurs, give notice in writing to each Holder (other than where the Holder's Series D Performance Rights have expired) (**Conversion Election Notice**).
- (b) A Conversion Election Notice must:
 - (i) be provided within 20 Business Days of the Conversion Trigger; and
 - (ii) inform the Holder of their ability to exercise the Series D Performance Rights, subject to any applicable securities trading policy of the Company.
- (c) Upon receipt of a Conversion Election Notice each Holder shall have a right to elect to convert each Series D Performance Right to Shares at the Conversion Rate provided that the Expiry Date has not occurred by giving notice in writing to the Company at any time prior to the Expiry Date (**Election Notice**). The Holder may, in its Election Notice, provide details of its nominee that is to be issued Shares on conversion of the Performance Rights, provided that, the nominee covenants with the Company on the same terms as the Holder provides any such covenant under these Conditions or otherwise reasonably required by the Company's board of directors.
- (d) Upon receipt of an Election Notice the Company shall, subject to complying with the terms of any applicable securities trading policy of the Company, issue the Shares arising from Conversion as soon as reasonably practicable and in any event no later than ten Business Days after the later of:
 - (i) receipt of the Election Notice; or
 - (ii) trading in the underlying Shares by the Holder being allowed under the Company's securities trading policy.
- (e) If a Holder has not given a valid Election Notice prior to the Expiry Date each Series D Performance Right will automatically expire and any entitlement to exercise the Performance Right and convert to Shares shall cease on the Expiry Date.

Adjustment of Conversion Rate and/or Target Price per Share

- (a) If the Company reorganises its capital, the Conversion Rate and Target Price per Share will be adjusted in accordance with the Listing Rules applicable at the time of the reorganisation, and so that Holders will not receive a benefit that holders of Shares do not receive. Unless the Listing Rules require otherwise, the Conversion Rate and Target Price per Share must be adjusted as follows:
 - (i) Reduction in capital:

If the issued capital of the Company is reduced, the Target Price per Share will be reduced by the same amount as the amount of issued capital reduced on each Share (subject to any provisions with respect to the rounding of entitlements as may be sanctioned by the meeting

of the members of the Company approving the reduction of capital) but in all other respects the terms of the Performance Rights will remain unchanged, including the Conversion Rate.

(ii) Consolidation of capital:

If the issued capital of the Company is consolidated, the Conversion Rate will be reduced in the same proportion and manner as the issued capital is so consolidated (subject to any provisions with respect to the rounding of entitlements as may be sanctioned by the meeting of the members of the Company approving the consolidation of capital) and the Target Price per Share will be increased in inverse proportion to the consolidation of issued capital, but in all other respects the terms of the Performance Rights will remain unchanged.

(iii) Subdivision of Capital:

If the issued capital of the Company is subdivided, the Conversion Rate will be increased in the same proportion and manner as the issued capital is so subdivided (subject to any provisions with respect to the rounding of entitlements as may be sanctioned by the meeting of the members of the Company approving the subdivision of capital) and the Target Price per Share will be decreased in inverse proportion to the subdivision of issued capital but in all other respects the terms of the Performance Rights will remain unchanged.

Conversion

- (a) Subject to these conditions of issue, the Company covenants with each Series D Performance Right Holder that, subject to the issue of Shares being consistent with any applicable law or the Listing Rules, it will issue Shares for the Series D Performance Rights at the Conversion Rate on the Conversion Date.
- (b) Any Shares issued upon conversion of Series D Performance Rights will rank in all respects equally with the then existing Shares of the Company and will rank for dividends declared by the Company on its Shares after the Conversion Date of the Series D Performance Rights. Prior to conversion, the Series D Performance Rights do not confer any entitlement to a dividend.
- (c) After the issue of such Shares, if the Company is listed on the ASX, the Company will apply for quotation of such Shares on the ASX to allow them to be traded.

Costs of Conversion and listing

Except as otherwise stated in these Conditions, the Company will pay the expenses (but excluding any taxes or stamp duties for which the holders of Shares would ordinarily be liable) of the issue of, and all expenses of obtaining a listing for, Shares issued on Conversion.

Conversion Right warranties

The Company must, while the Series D Performance Rights have neither expired nor converted into Shares:

- (a) Quotation: use its best endeavours to promptly give to the Holders notice of removal of the Shares (as a class) from quotation by the ASX, or any other stock exchange on which they are quoted from time to time;
- (b) Conversion to ordinary Shares: ensure that all Shares issued upon conversion of a Series D Performance Right will be duly and validly issued, fully paid and registered in the name of the Holder or its nominee set out in the Holder’s Election Notice; and

- 8
- (c) Consents: use reasonable endeavours to obtain, as and when required, and having once obtained, maintain, all necessary governmental and regulatory consents to enable the Company to allot and issue the Shares to be issued upon conversion of the Series D Performance Rights, other than any approval or consent required in respect of section 606 of the Corporations Act or the Foreign Acquisitions and Takeovers Act 1975 (Cth) which shall be the sole responsibility of the Holder.

8

Bound by Constitution

Each Holder acknowledges that on the issue of Shares on the Conversion Date, the Holder or its nominee will be bound by the Constitution of the Company in so far as it relates to Shares.

9

External Administration

If the Company becomes an externally-administered body corporate (within the meaning of the Corporations Act) and notwithstanding any other provision of these Conditions, the Series D Performance Rights will expire (and any entitlement to Conversion shall thereupon cease without conferring any right to participate in the surplus profit or assets of the Company).

10

Title to Performance Rights

Except as ordered by a court of competent jurisdiction or as required by law, the Company:

- (a) may treat the registered holder of any Series D Performance Right as the absolute owner (notwithstanding any notice of ownership or other notice in writing with respect to the Series D Performance Right or any notice of previous loss or theft or of any trust or any other interest);
- (b) is not required to obtain any proof of ownership and is not required to verify the identity of the registered holder; and
- (c) is not required to recognise or give effect to any legal or equitable interest in any Series D Performance Right not entered on the register, notwithstanding that the Issuer may have actual or constructive notice thereof.

11

Non transferability

- (a) The Series D Performance Rights will not be quoted and are not transferable. Any attempt to transfer the Series D Performance Rights will give the Company the power to cancel any such rights.
- (b) Any person becoming entitled to Series D Performance Rights in consequence of the death or bankruptcy of any holder of such Series D Performance Rights, may, upon producing evidence of the Holder's title as the Directors shall think sufficient, be registered as the holder of such Series D Performance Rights.

12

Non-Redeemable

The Series D Performance Rights are not redeemable in any circumstance by the Company.

13

Notices

- (a) A notice given to a Holder pursuant to a provision of these Conditions shall be in writing or electronic form and may be given to a Holder by being delivered to him by e-mail, facsimile, or posted in a pre-paid envelope and addressed to the address appearing in the register or to such other address as he has notified the Company in writing.

- (b) A notice given to any one of joint Series D Performance Right Holders is sufficient notice to all of those joint Series D Performance Right Holders.

Conditions Binding on Parties and Successors

These Conditions shall be binding on the Company and the Holders and all persons claiming through or under them respectively. These Conditions shall be governed by and construed in accordance with the laws of Victoria.

Amendment

These Conditions may only be amended if the board of the Company determines that such amendment is necessary to:

- (a) enable the Company to comply with the Listing Rules, Corporations Act or other Australian law; or
- (b) to correct any manifest error or mistake,

and the board of the Company provides notice to each Holder accordingly.

Attorney

Each Holder in consideration for the grant of the Series D Performance Right shall be deemed to have irrevocably appointed the Company and each of its directors severally as its attorney to complete and execute any documents which give effect to these conditions and to do all acts or things on behalf of or in the name of the Holder which may be convenient or necessary for the purposes of giving effect to the provisions of these conditions, and each Holder shall be deemed to covenant to ratify and confirm any act or thing done pursuant to this power and shall release the Company and each of its directors from any liability whatsoever arising from the exercise of the power conferred by this condition and shall indemnify and hold harmless the Company and each of its directors in respect thereof.
