

Corporate Governance Statement 2021

The Board of Directors of DGO Gold Limited (“the Company”) believes that effective corporate governance improves Company performance, enhances corporate social responsibility and benefits all stakeholders. At its meeting on 15 September 2021, the Board adopted and approved this Corporate Governance Statement having considered the Corporate Governance Principles and Recommendations 4th Edition issued by the ASX Corporate Governance Council and the interests of its stakeholders and the size and nature of the Company’s operations.

The Board and management are committed to the corporate governance framework that guides the business and affairs of the Company. The table below summarises the Company’s compliance with the principles and recommendations by the ASX Corporate Governance Council.

	ASX Principles and Recommendations	Compliance	Details
1	Lay Solid Foundations for Management and Oversight		
1.1	<p>A listed entity should have and disclose a board charter setting out:</p> <p>(a) the respective roles and responsibilities of its board and management; and</p> <p>(b) those matters expressly reserved to the board and those delegated to management.</p>	<p>Yes</p> <p>Yes</p>	<p><u>Role of the Board</u></p> <p>The Board Charter clearly defines the respective roles and responsibilities of the Board and establishes functions that are reserved to the Board and functions delegated to senior executives. The responsibilities for the operation and administration of the Company have been delegated by the Board to the Chairman and the executive management team.</p> <p>A copy of the Board Charter is publicly available and can be found in the Investors Centre within the Company’s website at http://www.dgogold.com.au/corporate-governance/</p> <p><u>Responsibility of the Board</u></p> <p>The Board has a number of responsibilities including input into the development of the Company’s corporate strategy, understanding and monitoring the budget, and identifying areas of material business risk and ensuring arrangements are in place to adequately manage those risks. The Company has established functions reserved to the Board and matters delegated to senior executives.</p> <p>Even though the Board is responsible for guiding and monitoring the Group, the Audit and Risk Committee, and Remuneration and Nomination Committee provide focus on particular areas of responsibility and report to the Board. Overall risk management roles and responsibilities have been identified in the Risk Management Policy which is publicly available on the Company’s website.</p>

It is exposed to similar risks commonly associated with exploration companies. The Company holds gold tenements and has its main focus on exploration tenements in sediment hosted gold deposits. The Board has identified three material economic risks facing the Company as outlined below:-</p> <p>.</p> <ol style="list-style-type: none"> 1. Exploration and evaluation risk <p>Once the tenements are granted there is a risk that the Company is unable to discover significant mineral resources. The ability of the Company to make an economic return on its tenements is dependent upon many factors including the ability to finance exploration costs, the conversion of resources to reserves and compliance with regulatory, statutory, environmental and indigenous heritage obligations. The exploration success of the Company is in part dependent on the judgement and experience of its Board, management and consultants.</p> <ol style="list-style-type: none"> 2. External Risks <p>There are many external risks beyond the control of the Company that may affect the ability of the Company to explore and develop its tenements. These factors include land access, commodity prices, the ability to attract project partners and capital as well as changes to government and environmental regulatory requirements. These external risks may affect the timing and amount of future funding that the Company can attract to support its exploration and development activities.</p> <ol style="list-style-type: none"> 3. Health and Safety Risks <p>The health and safety of its employees is a material risk of the Company. The Company has an obligation to ensure the occupational health and safety of its employees in all aspects of their work for the Company including when travelling to and from its tenements and for its stakeholders visiting the tenements on Company business during exploration. The Company has in place safety policies and processes which are maintained and observed during all Company activities with the aim of reducing safety risks associated with those activities.</p> <ol style="list-style-type: none"> 4. Corporate Social Responsibility Risks <p>The Company is committed to ethical conduct and recognizes its corporate social responsibility (CSR) obligations when dealing with its various stakeholders. Amongst its CSR obligations the Company has identified material risks associated with the environment, cultural heritage and occupational health and safety.</p>

The Company conducts its activities in an environmentally responsible manner and in accordance with applicable laws thereby limiting its environmental impact. Environmental regulations and requirements may evolve in a manner that will require stricter standards and more stringent assessments of projects. The costs of complying with the applicable environmental obligations may adversely impact the Company's exploration and development activities.</p> <p>The Company is subject to the <i>Native Title Act 1993</i> (Cth) which recognizes and protects the rights and interests in Australia of Aboriginal and Torres Strait Islander people. The Company complies with Aboriginal heritage legislation requirements and access agreements which may require heritage survey work to be undertaken ahead of the commencement of various activities. The Directors will closely monitor the potential effect of native title claims involving tenements in which the Company has or may have an interest. It is possible that Aboriginal sacred sites found within the tenements held by the Company may preclude exploration activities and the Company may also experience delays with respect to obtaining permission from the traditional owners to explore.</p>

This committee considers the procedures, policies and key performance indicators used to measure the performance of key executives and Directors. Equity based executive and director's remuneration packages have been proposed for shareholder approval. The Remuneration and Nomination Committee makes recommendations to the Board on performance and remuneration and it is the Board who is ultimately responsible for reviewing compensation agreements for the directors and the executive management.</p> <p>Full discussion of the Company's remuneration philosophy and framework and remuneration received by directors and executives and structure in the current financial year is contained in the Remuneration Report section of the Directors' Report. Directors' fees reflect the demands that are made on and the responsibilities of the Executive and Non-Executive Directors and are reviewed annually. There is no scheme to provide retirement benefits to Non-Executive Directors, except for their entitlement to the Superannuation Guarantee. Each member of the executive team that has been employed directly has signed a formal employment contract at the time of their appointment covering matters including the rights, responsibilities and entitlements on termination. The Remuneration and Nomination Committee considers companies of similar size and nature when it reviews the salaries paid to directors, Non-Executive Directors and senior executives.</p> <p>The Company has, from time to time, granted equity-based performance rights remuneration. The recipients of performance rights grants are not permitted to enter into transactions (whether through the use of derivatives or otherwise) which limit the economic risk of participating in the grant of performance rights.</p> <p>Further details of the structure of the remuneration procedures can be found in the Remuneration and Nomination Committee Charter.
